

PILGRIM CENTER *of* HOPE

Stella Maris Campaign

The \$5 million Stella Maris Campaign offers unique naming opportunities. Making a gift offers an extraordinary opportunity for donors to leave a legacy of hope by honoring a unique individual, family, company, or organization. Your special gift will inspire others to also set sail with us and give more generously as well as affirm the value of the Pilgrim Center of Hope's mission and the value of the Stella Maris Center.

Please refer to the naming opportunities currently available. Please note the amounts below indicate the gift's memorial or tribute value and do not necessarily reflect construction costs.
